TESTED.
PROVEN.
AUTHENTIC.

Indian Motorcycle Accessories are developed in concert with the design, engineering and testing of your motorcycle to ensure perfect fit and premium quality. We insist that our testing exceeds what an accessory or motorcycle will endure on the road. Environmental tests ensure that appearance is maintained, even with exposure to the elements. Structural, vibration and on-road testing ensure that our accessories meet and exceed riders' expectations.

QUALITY ASSURANCE TESTS:

AT LEFT: SHAKER - STRENGTH

VEHICLE DURABILITY SIMULATION:

Replicates the damaging aspects of actual road inputs such as potholes, rumble strips, bumps, etc. This test ensures the bike and accessories can withstand these inputs and maintain their integrity.

ELECTRODYNAMIC SHAKER:

Replicates high frequency vibrations from the engine and other inputs to ensure parts are structurally sound and don't loosen over time.

AT RIGHT: ENVIRONMENTAL DURABILITY

These tests ensure that individual components do not physically or visually degrade in the harshest of environments or when exposed to common chemicals that may come into contact with the bike. They are tested to the harshest standards to make sure they last for the life of that part.

BELOW: CYCLE - PHYSICAL DURABILITY

OVERLOAD:

This test ensures that a part meets the limits set forth without cracks, bends or deformation.

FATIGUE:

This test ensures real world usage and the cycles of regular use over time. For example, pressing on a back rest or pulling on handlebars.

NOT SHOWN: ON-ROAD

This test is the most authentic as parts are tested on real roads and conditions. This testing confirms the lab test results and ensures the product behaves in the way it was intended.

UNIQUE STYLE

COLOUR-MATCHED ACCESSORIES NOW IN ALL INDIAN MOTORCYCLE COLOURS.

Choosing to install authentic Indian Motorcycle colour-matched painted accessories means you get the best custom look for your bike direct from the factory. If you have the bike, we have the colour to match it.

BUILD IT BAD

1.

2.

3.

4.

5.

6.

Slammed stance. Chopped fenders. Knobbly tyres. Blacked-out and stripped-down. The Scout Bobber is no frills, all attitude. The only place we didn't hold back: the 94 barely-tamed horsepower of a 69-cubic-inch V-Twin. Grab on. Hold fast. Your legend is just getting started.

YOUR LEGEND STARTS HERE

Be an original, on the original. With the Indian Scout, there's no limit to your legend. A 94-horsepower V-Twin powerhouse, cartridge fork front suspension, Pirelli® tyres and a lightweight, expertly balanced chassis that delivers an unmatched, agile ride. It follows the same design principles that made the original Indian Scout so iconic. Our heritage comes with a legacy. So does this bike.

PERFORMANCE & EXHAUST

Indian Motorcycle’s racing heritage lives on with parts to make your V-Twin breathe.

NEW

Stage 1 Straights Slip-On Exhaust Kit

2882012-156 Chrome*
2882012-266 Black*
2880876-156 Chrome**

Dealer installation required. Includes EFI calibration. Compliant with SAE J2825 sound standard. Meets EPA and CARB emissions limits. 50 state emission compliant. Does not void factory warranty.
*Optional Black Heat Shield (2883482-266), sold separately.
**Fits model year 2017-2018. **Fits model year 2015-2016.

NEW

Performance Air Intake

2882519

Dealer installation required. Fits model year 2015-2018.

Indian Performance Shocks by Fox®

2881790-463 Black

Kit includes 2 shocks, spanner wrench and instructions. Preload adjustable, installs in place of stock shocks. Fits model year 2015-2018.

These Indian Scout Performance Shocks are tuned specifically for the Indian Scout to optimize the bike’s high-performance ride and handling. These shocks have a gas-charged mono-tube with internal floating piston (IFP). They give a rider wide-range rebound adjustability and the coil spring offers preload adjustability. They have advanced high-flow, deflective disk, velocity-sensitive damping, and are fully rebuildable and revalveable.

This kit meets EPA and CARB emission limits. Non-competition street use may violate federal noise limits. Please see back cover for further information. Not available in all countries.

SCOUT, SCOUT SIXTY & SCOUT BOBBER

STORAGE & LUGGAGE

Versatile storage for weekend rides or epic adventures.

NEW

Indian Scout Bobber Saddlebag

PROOF MACHINES HAVE SOULS

Matte-black finish. Unpolished. Uncompromising. This is the Chief Dark Horse. Powered by the Thunder Stroke 111 V-Twin engine. Highlighted by blacked-out details, dual exhaust, keyless ignition, and cruise control. The throaty growl from this sinister machine doesn't just demand attention, it refuses to be ignored.

over 7% more TORQUE

over 13% more HORSEPOWER

⚠ This kit meets EPA and CARB emission limits. Non-competition street use may violate federal noise limits. Please see back cover for further information.

50 state emissions compliant. Non-competition street use may violate federal noise limits. Indian Motorcycle recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines. International markets: please consult your local laws for additional information. Noise: Certain Indian Motorcycle performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards. Not available in all countries.

Straight Exhaust Tips

- 2880671-156 Chrome
- 2880671-266 Matte Black

Requires Stage I Exhaust (2879768-156, -266), sold separately. Fits model year 2014-2018.

TOP SELLER

Stage 2 Performance Cams
by Indian Motorcycle

2881676 

Requires Stage I Exhaust (2879768-156, -266 or 2879769-156, -266) and either High Flow Air Cleaner (2880654-156, -266) or Stage I Performance Air Cleaner (2881779-156, -521). Increases horsepower 13%, increases torque 7%. Stage 2 VCM calibration included. Fits model year 2014-2018.

 This kit meets EPA and CARB emission limits. Non-competition street use may violate federal noise limits. Please see back cover for further information.

50 state emissions compliant. Non-competition street use may violate federal noise limits. Indian Motorcycle recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines. International markets, please consult your local laws for additional information. Noise: Certain Indian Motorcycle performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards. Not available in all countries.

TOP SELLER

MUSCLE THROUGH THE CROWD

Take the lead with Chieftain Limited. Featuring aggressive styling with a 19-inch contrast-cut wheel and sawed-off open front fender that offers a subtle nod to Indian Motorcycle's open fenders of the 1920s and 1930s. And the industry-leading Ride Command system with a seven-inch touchscreen and 100-Watt premium audio system. All fueled by the Thunder Stroke 111 V-Twin engine.

- 2881676

Requires Stage I Exhaust (2879769-156, -266) and either High Flow Air Cleaner (2880654-156, -266) or Stage I Performance Air Cleaner (2881779-156, -521). Increases horsepower 13%, increases torque 7%. Stage 2 VCM calibration included. Fits model year 2014-2018.

⚠ This kit meets EPA and CARB emission limits. Non-competition street use may violate federal noise limits. Please see back cover for further information.

50 state emissions compliant. Non-competition street use may violate federal noise limits. Indian Motorcycle recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines. International markets, please consult your local laws for additional information. Noise: Certain Indian Motorcycle performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards. Not available in all countries.

 This kit meets EPA and CARB emission limits. Non-competition street use may violate federal noise limits. Please see back cover for further information.

50 state emissions compliant. Non-competition street use may violate federal noise limits. Indian Motorcycle recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines. International markets, please consult your local laws for additional information. Noise: Certain Indian Motorcycle performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards. Not available in all countries.

Thunder Stroke 111 Oil Change Kit

2880067 5.5 Quarts – 20w-40 Semi Synthetic Motor Oil

Contains: 1 Oil Filter (2521421) and 2 Washers. Approved for use in all Thunder Stroke III air cooled Indian Motorcycle engines.

Indian Scout Oil Change Kit

2880191 4 Quarts – 15w-60 Full Synthetic Motor Oil

Contains: 1 Oil Filter (2520799), and 2 Washers. Approved for use in all Indian Scout family engines.

15W-60 Full Synthetic Motor Oil

2880187 Quart
2880188 Drum – 55 Gallons

Indian 15W60 is approved for use in all air cooled and liquid cooled Indian Motorcycle engines. Our wide viscosity range and advanced SN level additive system smooths shift effort, enhances clutch wear and feel for positive engagement under heavy loads, and delivers the best thermal heat and cam wear protection available. Extended 10k mile oil change interval on all Scout engines. Compatible with all 2014-2017 Indian Motorcycle models.

20W-40 Semi-Synthetic Engine Oil

2880012 Quart
2880013 Drum – 55 Gallons

Approved for use in all Thunder Stroke III air cooled Indian Motorcycle engines. High heat shear stability, engine wear protection and enhanced clutch wear protection.

Retro Oil Cans

2830497

Limited edition retro 4 pack 15W-60 synthetic oil can kit. Each kit consists of 4 retro steel quart cans filled with Indian 15W-60 Synthetic Engine Oil, packaged in a unique woodgrain crate-look carton.

Indian Carbon Cleaner

2881911

Total fuel system cleaner. Stabilized fuel for up to 2 years. Removes carbon deposits from injectors, valves, piston rings and combustion chamber.

50/50 Premix Extended Life Anti-Freeze

2880966 1 Quart

Advanced extended life coolant designed for use in all liquid cooled Indian motorcycles.

Dot-4 Brake Fluid

2880016 12 fl oz.

DOT 4 Brake Fluid maintains viscosity over a wide temperature range. Designed for use in all Indian motorcycles, including ABS systems.

Indian Transmission Fluid

2880014 Quart

Designed for use in all pre-2014 Indian Motorcycle transmissions. Full Synthetic formula protects gears and bearing against scoring and wear.

Fork Oil

2880015 Quart

Developed with a high viscosity index to resist shear, foaming, heat and internal shock wear.

Oil Filter

2520799*
2521421**

*Compatible with Indian Scout family.
**Compatible with all Thunder Stroke III models made after 2014.

Chrome Oil Filter

2880867-156

Compatible with all Thunder Stroke III models made after 2014.

AUTHENTIC APPAREL

Indian Motorcycle is more than a brand name. It's a symbol of everything we stand for. A rich heritage that, since 1901, has been focused on one thing: the ride. And with Indian Motorcycle apparel, you stand united in that belief. T-shirts, jackets, boots, hats, helmets and more. Whether you're riding or not, you can wear your heart on your sleeve.

Check out the full line of rider-tailored gear and apparel at your local dealer or at [INDIANMOTORCYCLE.COM](https://www.IndianMotorcycle.com).

Always wear a helmet, protective eyewear and clothing and insist your passenger does the same. Ride within the limits of the law and your own abilities. Read and understand your owner's manual. Never ride under the influence of drugs or alcohol. For the name of your nearest Indian Motorcycle dealer, call 1-800-POLARIS or go to polarisindustries.com. Polaris Sales Inc. reserves the right without prior notice to discontinue at any time at its discretion any of the items herein or change specifications or designs without incurring any obligation to the customer. All items are subject to availability and prior sales by our dealers. Prices are subject to change at any moment. Catalog design by SAGA Marketing. Printed in the USA.

Ride Command Maps not available in all countries. Accessories not available in all countries.

Indian Motorcycle recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Parts and kits designated with a warning triangle  indicate that usage restrictions may apply.

Emissions / Safety: Regional laws may prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines.

Noise: Certain Indian Motorcycle performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards.
